INSTANTANEOUS WATER HEATER FOR SHOWERS

PRODUCT-NO.: 205240

Call up precise information at any time

No more sudden temperature fluctuations during your shower – even if another tap is in use at the same time – thanks to the precise electronic temperature control function. An LCD temperature display with temperature selection provides you extra comfort. Featuring an extra slimline design, as well as a striking colour contrast of white and matte black, this model makes an eye-catching addition to every bathroom.

The pleasure of water without the worries

The built-in Earth Leakage Circuit Breaker (ELCB) detects any harmful leakage current and shuts off the power supply, thereby providing full protection from electric shock for you and your family. Moreover, our water heater is built according to the latest technical standard including EMC compatibility, for worry-free operation.
